CAREFREE DRIVING FOR UP TO FIVE YEARS

Extended warranties for new cars

ENJOYNEERING

EXTENDED WARRANTY – EXTENDED PEACE OF MIND

It's reassuring to know you're covered for the cost of unexpected car repairs. And you can enjoy this feeling for up to two years longer with a SEAT Extended Warranty.

When you buy a new SEAT from a SEAT dealer, your new car is covered by a three-year/60,000 miles manufacturer warranty. And if you take out a SEAT Extended Warranty before your new car is registered, you'll get exactly the same level of cover for up to five years, at the competitive prices shown opposite.

You can choose a SEAT Extended Warranty to last until the end of the 4th year/up to 75,000 miles or until the end of the 5th year/up to 90,000 miles, whichever is soonest. The table includes prices for both options and compares these with the cost of taking out a typical third party warranty at the end of your three-year SEAT policy. And as prices are likely to go up over the years, you could be saving even more money by purchasing your extended warranty at the same time as you purchase your car.

PLEASE NOTE THAT THESE SEAT EXTENDED WARRANTY PRODUCTS ARE ONLY AVAILABLE AT THE TIME OF ORDERING A NEW SEAT
